ATTORNEY GENERAL
STATE OF MONTANA

Marc Racicot
Attorney General

Justice Building
Helena, Montana 59620

Dear Fellow Montanans:

In 1988 Montana experienced a substantial decrease in traffic fatalities. The 198 recorded traffic fatalities is the lowest number of deaths since 1958 when 193 Montanans lost their lives on Montana's highways.

During 1988 you complied voluntarily with the seat belt law. By doing so you have demonstrated not only your interest in public safety, but also your concern for your friends and neighbors on the street and highways of this state. Thanks to you and the efforts of law enforcement throughout Montana, the number of fatalities and injuries have declined significantly.

The reduction in loss of life, limb, and property is our major objective. Management and training are important but we need you, the people of Montana, to help us rid our highways of death and destruction. Please continue to assist us in this effort.

Sincerely,

Marc Racicot

Honorable Marc Racicot
Attorney General
Justice Building
215 North Sanders
Helena, MT 59620

Dear Sir:

To you and the citizens of Montana, I respectfully submit this 1988 report of accident analysis.

The greatest accomplishment of 1988 was reducing the highway traffic death toll to 198 fatalities. It has been 30 years since Montana highway traffic fatalities have been this low.

1988, the first full year of enforcement of the mandatory seat belt law, has encouraged Montana citizens to wear their seat belts. The wearing of seat belts has had a great effect on the reduction of fatalities and serious injuries.

Continued fair and impartial enforcement of all traffic laws will provide a safe environment on the State's highways to further reduce accidents, injuries, and fatalities.

The Highway Patrol Division will continue to strive to meet the increasing demands placed upon us and will continue to give our very best service to the citizens of Montana. Your guidance as Attorney General and support for traffic safety is appreciated by every officer of the Montana Highway Patrol.

Sincerely,

COLONEL ROBERT J. GRIFFITH
Chief
Montana Highway Patrol

ANALYSIS OF LARGE TRUCK/TRACTOR TRAILER FATAL ACCIDENTS IN MONTANA IN 1988

Fatal truck accidents during 1988 claimed the lives of four truck drivers, thirteen drivers or passengers in other vehicles, and one pedestrian. Thirteen of the seventeen accidents involved two or more vehicles.

Of the seventeen fatal truck accidents, two involved tractors with double trailers, ten involved semi-trucks and trailers, one truck and pole trailer, and four were straight trucks.

Of these seventeen fatal accidents, six truck drivers were in violation of the law. These included two violations for careless driving, two violations for fail to yield the right-of-way, and two violation for speed to fast for conditions. Ten truck accidents were caused by drivers of automobiles while one was caused by a pedestrian.

Eleven of the fatal accidents occurred on primary highways of Montana, five occurred on the interstate system, and one on a county road.

Ten of the seventeen accidents occurred during daylight hours, the other seven occurred during the hours of darkness.

Since 1985 when Montana first began truck inspections, the number of commercial vehicle accidents has declined from 1,343 in 1985 to 1,059 in 1988. The number of fatal accidents has declined from 35 in 1985 to 33 in 1986 to 23 in 1987 to 17 in 1988. It appears that the truck inspection program is having a favorable effect on reducing accidents along with the increased interest of the truck drivers and also the emphasis that is placed upon safe operations by the various trucking companies.

It appears that this program as a team effort has been successful. With a great deal of effort and cooperation in the future this reduced low level of traffic accidents can be maintained for the benefit of the motoring public.

* **These accidents involved 1630 drivers of motor vehicles.**
